

PAKISTAN STATE OIL

# PSO BLAZE 4T

Advanced technology for maximum power and extra mileage

## PRODUCT DESCRIPTION

PSO Blaze 4T is a high performance advance technology motorcycle engine oil that meets technical standards for Japanese and European motorcycles equipped with catalytic converter. Tri- facet low-friction modern technology protects engine, clutch and gearboxes components to provide optimum performance and extended oil service life.

## APPLICATIONS

- Japanese and European motorcycles, for which JASO MA2 specification is recommended.
- Specially formulated for motorcycles equipped with catalytic converter.

## PERFORMANCE STANDARDS

The superior additive technology used in the formulation of PSO Blaze 4T endorses the following performance standards:

JASO MA2  
API SG/CD

## BENEFITS

- Tri-facet additive technology provides outstanding resistance against clutch slippage, ensures protection against engine wear and pitting in gear-box.
- Low friction MA2 additive technology ideally compatible with wet-clutch and facilitates smooth gear shifts
- Superior cleanliness for engine and piston rings ensures longer engine service life.
- Easy starting at low temperature and maintains adequate oil film at high temperatures to protect engine components from wear.

## PRODUCT CHARACTERISTICS\*

PROPERTIES	METHOD	TYPICAL RESULTS	
		20W-40	20W-50
Density @ 15 °C, Kg/liter	ASTM D-4052	0.8919	0.8949
Kinematic Viscosity @100 °C, cSt	ASTM D-445	14.3	18.2
Kinematic Viscosity @ 40 °C, cSt	ASTM D-445	117.3	159.3
Viscosity Index	ASTM D-2270	123	127
Flash Point (COC), °C	ASTM D-92	220	236
Pour Point, °C	ASTM D-97	-21	-18
Total Base Number, mg KOH/g	ASTM D-2896	5.3	5.3

\*These typical characteristics mentioned are based on current mean values.

### HEALTH & SAFETY

Guidelines for health, safety and handling are available in Material Safety Data Sheet of the product which can be obtained from PSO representative.

### ENVIRONMENT PROTECTION

Take used oil to an authorized collection point. Do not discharge into drains, soil or water.

### ADVICE

Advice on application not covered in this leaflet, may be obtained from PSO representative.
